

Solutions for Deepfake Cyber Fraud

Fully Managed Deepfake Vulnerability Assessment, Training, Simulations and Employee Awareness Testing.

3000%

Increase in Deepfake Attacks Globally

Who We Are

We combat Deepfake with fully managed offerings. Our solutions integrate easily with your existing technology.

Our cutting-edge AI solutions are designed to help employees Detect and Respond to Deepfake Cybersecurity attacks and incidents.

We help organizations understand their vulnerability to Deepfake attacks, and help protect against them.

Why Choose Us

Deep Industry Experience

Multi-layered Defense: We implement a multi-layered defense approach, combining Awareness Training, Vulnerability Testing, Deepfake attack simulation. We help organization's understand their cybersecurity posture and prevent unauthorized access or data breaches from Deepfake.

Cybersecurity Expertise

Employee Training and Awareness: Recognizing the crucial role of employees in defending against social engineering attacks, we provide tailored training programs and awareness initiatives to educate staff about the dangers of Deepfake manipulation and best practices for identifying and reporting suspicious activities.

Enhanced Security

Advanced Deepfake Detection: Leveraging cutting-edge AI and machine learning algorithms, our solution analyzes multimedia content to detect signs of manipulation or synthetic generation, enabling rapid identification of Deepfake threats.

Behavioral Analysis: Our solution employs behavioral analysis techniques to assess the user interactions, detecting susceptibility to fraudulent activity and mitigating potential risks proactively.

Our Services

Deepfake Awareness Testing

- Micro-Curriculum Testing.
- Deepfake Awareness Training.
- User Awareness Testing

Deepfake Attack Simulations

- Deepfake Simulations:
- Mobile (Voice + SMS.)
- Desktop (Email + Video.)

Deepfake Vulnerability Assessment

- Organizational Vulnerability Scoring.
- Scorecard and Recommendations.
- Reporting & Measurement.

Our Pricing

We do not believe in locking into long term contracts as a partner. This puts the onus on us to ensure your services exceed all expectations. We are here to help as little or as much as you need.

Our services are fully managed, deploy instantly with minimal work and can be purchased on a quarterly, or annual for a discounted rate,

Quarterly: \$5,499

Annually: \$16,497
